

## What is MusicOn?

A new music event from the old hands of music events- Slipdisc.

**MusicOn** is a day long, competition format event—EXCEPT—it is way more chill than **Battle of the Bands**. It promises the same magic of pure, live music in different genres.

If BTB conjures up images of adrenaline-stoked, leather jacketed and tattooed, metal heads, then **MusicOn** is a gathering of chill musicians- who are more like surfers dudes and surfer babes.

MusicOn promises a relaxed competition. Make no mistake, surfers are also adrenalin junkies, always catching the biggest wave- but there's a difference in their attitude, and it this chill attitude that will make MusicOn a unique event.

Not Cut-throat competition, but a relaxed, chill competition amongst musicians who are secure about their scintillating auras.

1. Bands can participate
2. Solo performers can participate
3. Duos and trios
4. Rappers
5. Beatboxers
6. Spoken-word artistes- accompanied by a musician (or playing an instrument themselves)
7. A combination of solo/ duo singers with Beatboxing accompaniment also welcome
8. A combo of all of the above! Surprise us!

The event is on **26-1-26**, at **Chill Out Lounge & Bistro (Guirim)**. This is very close to Slipdisc Office. You have enough time to prepare, you have been given an advance heads up!
